

JOIN SOCIALIST ALLIANCE

Join Socialist Alliance to help build a people-before-profits alternative in Australian politics. You don't have to be on the electoral roll or be an Australian citizen, but if you are your membership will help us to retain our electoral registration. Any individual who broadly agrees with the aims and objectives of the Socialist Alliance and agrees to participate in the co-operative spirit of the Alliance is eligible to join.

It is free to join Socialist Alliance, however we have a voluntary membership fee. This helps us pay for our activities and people who pay the annual membership fee are eligible to become Voting Members.

Post this form to Socialist Alliance, PO Box 114 Broadway NSW 2007. You can also scan/photograph the completed form and email it to membership@socialist-alliance.org. A digital version of this form is online at socialist-alliance.org/join and copies of this form can be downloaded as a PDF at that URL.
